Location : Namakkal, Tamil Nadu– 636003

GitHub : <https://github.com/likkash>

LinkedIn : <https://www.linkedin.com/in/likkash-r>

OBJECTIVE:

Upcoming graduate skilled in Core Java, SQL, and MERN stack with strong database management and backend logic expertise. Motivated to apply full-stack development skills, learn continuously, and contribute to impactful solutions in collaborative environments..

EDUCATIONAL QUALIFICATION:

COURSE	INSTITUTION	BOARD/ UNIVERSITY	YEAR OF COMPLETION	CGPA/ PERCENTAGE
B.TECH. IT	Muthayammal Engineering College (Autonomous)	Anna University	2026	8.47 (Present)
HSC	Vedhha Vikass Higher Secondary School, Salem.	State Board	2022	89.17
SSLC	JVM Matriculation School, R. Pudupalayam, Namakkal.	State Board	2020	93.6

TECHNICAL SKILLS:

- **Programming Language** : Core Java
- **Web Technologies** : HTML, CSS, React.js, Express.js
- **Database Management** : MySQL, MongoDB
- **Tools & IDEs** : Git, GitHub, VS Code, Eclipse

PROJECTS:

Business Appointment Booking System (Multi-Vendor)

- Built a Java-based web application that enables customers to register, log in, and book appointments with multiple service providers, with features to view, update, or cancel bookings.
- Integrated MySQL via JDBC for secure data storage and retrieval, and designed a clean HTML/CSS interface for seamless user interaction.

Tech Used: Java, JDBC, MySQL, HTML, CSS.

Expense Tracker

- Built a MERN Stack web application that enables users to seamlessly register, log in, add expenses, view expense history, update or delete entries, and filter records by date for easy tracking.
- Integrated MongoDB for data storage, implemented RESTful APIs, and used Material UI to design a clean and responsive interface.

Tech Used: React.js, Node.js, Express.js, MongoDB.

CERTIFICATIONS & ACHIEVEMENTS:

- **CodeTantra** – Certificate in Java Programming (Beginner-Level Course).
- **Hackathon'24** – 24-hour coding challenge at M.Kumarasamy College of Engineering, Karur.
- **HackIndia 2025** – National-level tech hackathon at Muthayammal Engineering College.
- **Protospace** – Secured 1st prize in “Arivoli-2K25” at Knowledge Institute of Technology, Salem.
- **Debugging** – Won 1st place in a contest at Muthayammal Engineering College.

EXTRA-CURRICULAR ACTIVITIES:

- Volunteered in Technical symposium coordinator at Muthayammal Engineering College.
- Attended workshop at TechnoTut Solutions, Mysore (Industrial Visit).

INTERNSHIP:

MERN Stack | Zealous Tech Corp | July 1-19, 2025

- Engineered a full-stack application with responsive UI and real-time updates using the MERN stack.
- Collaborated with peers to develop a real-time project using modern web technologies and Git.
